JOHN HEENAN, Administrator

September 2020

Dear Welfare Fund Participant:

To say the last few months have been crazy is an under statement. Even though the office is closed to members, we are still able to help you either by telephone or email.

## PARENT BODY ELIGIBILITY

The hour requirement for the **4th quarter** (October-December) has been reduced. **A member will need 600 hours** (reduced from 900) for P1 coverage. P3 is lowered to 400 hours (reduced from 600). The 3 quarters that we use to determine eligibility for the 4th quarter 2020 are 4th quarter of 2019, 1st quarter 2020, and 2nd quarter 2020. If you have more than 600 hours in those 9 months you will have P1 coverage; more than 400 but less than 600 you will have P3 coverage.

## FLU SHOTS

It's around this time that we send out the Flu Shot schedule. Given the poor turnout over the last few years and the uncertainty of future meetings, we have decided **NOT** to provide flu shots. **However, with COVID-19 it is more important than ever to get a flu shot.** You can get them at your doctor's office or your local "walk-in" clinic.

## TELEMEDICINE

You can visit with a doctor anytime, anywhere with our telemedicine benefit by **MDLive**. Telemedicine, also known as virtual care, is offered through a HIPAA-secure video, phone, and mobile app with 24/7 access to a U.S. board-certified and licensed primary care doctor who can treat non-emergency medical conditions. If we can offer a bit of advice, we recommend you download the **MDLive** App and register **before** you actually need to use telemedicine. (see other side for more information)

## 542 NURSES

Remember you have 2 nurses that can help you with any and all types of medical questions or concerns. Please do not hesitate to call Karen or Gina.

Our Website is an awesome place to go for information and its open 24 / 7.
