

## How to Sign up with Everside Health

1. Sign up for an account by visiting [members.eversidehealth.com](https://members.eversidehealth.com) and click Sign Up.

A screenshot of the Everside Health sign-in page. It features two input fields: 'Email' and 'Password'. Below the fields is a green 'Sign in' button. Underneath the button are two links: 'Forgot password' and 'New user? Sign up'.

2. Enter information requested for identity verification.

A screenshot of the Everside Health identity verification page. The heading is 'Let's get started!' followed by 'First, let's verify your identity'. Below this is a paragraph explaining the need for identity verification. Contact information for Member Services is provided. The form includes input fields for 'Last name', 'Date of birth' (with a 'mm / dd / yyyy' placeholder), 'Email', and 'Last 4 digits SSN'. There is a 'Show SSN' checkbox and a 'Continue' button at the bottom.

3. Create a personalized username and password. Your username must be an email address and your password must meet our qualifications. Click link to review our terms and conditions. After reviewing our terms and conditions, select Agree and Continue.

A screenshot of the Everside Health account creation page. The heading is 'Great, we found you!' followed by 'Let's create your account'. It features an 'Email' input field with a strength indicator. Below it are two radio buttons: 'Minimum 8 characters' and 'Email format'. The 'Password' input field also has a strength indicator. Below the password field is a 'Show password' checkbox. Further down are three radio buttons: 'Minimum 8 characters', '1 capital letter', '1 special character', and '1 number'. At the bottom, there is a paragraph of terms and conditions and an 'Agree & Continue' button.

4. If you are the primary or spouse, you will have the option to register your child dependents or send an invite to adult dependents.
